

# Pastoral Council Election

Did you ever wonder how all of the activities  
of our parish happen...  
how the various parish ministries and  
services are coordinated?

In a parish of over 3,400 families,  
our pastor can't do it alone.

**This is our faith community!**

**We need your help in serving as a member of the Pastoral Council.**

The Council works with the pastor, staff, and committees for the benefit of the parish. Members of the Council are involved in communications, budgeting, capital improvements, reaching out to parishioners, and welcoming visitors and new parishioners. This year, we begin the transition from 18 parishioner-elected Council members to 12.

If you are a registered member of the parish in good standing and at least 16 years old by June 1, 2010, consider offering your talents and perspectives by nominating yourself to the Council. This is an exciting time! We have a new pastor who is dedicated to using the Council as a key sounding board for decisions affecting the parish.

*The purpose of this Year for Priests... is therefore to encourage every priest in this striving for spiritual perfection on which, above all, the effectiveness of their ministry depends, and first and foremost to help priests and with them the entire People of God to rediscover and to reinforce their knowledge of the extraordinary, indispensable gift of Grace which the ordained minister represents for those who have received it, for the whole Church and for the world which would be lost without the Real Presence of Christ.*

Pope Benedict XVI, General Audience, 24 June 2009

\*Resurrection is such a large parish that we receive many more mass cards and donations than we can say in a year's time—only one intention can be offered at a mass. So, to ensure that all mass intentions are offered in a timely manner, large parishes often partner with small, rural mission parishes, providing them with the donations in return for their assurance that the masses will be said. This information must be published periodically. Questions? Contact Fr. Mike at x 207.
